

Neighbourhood Contacts

Below are the contact points for the 12 Neighbourhood Groups.

NB These people are NOT the main contacts in an emergency.

Rather, they are people to contact so you can be joined into the neighbourhood system that may include: Email group, WhatsApp / facebook group, radio network. Through this you can then be informed of any neighbourhood development opportunities which you may chose to get involved in. And you'll be better connected to your neighbourhood in the event of an emergency.
